

Grow Your SSDI Business

Referrals for Attorney & Non-Attorney Representatives

Opportunity for Growth

As you work to expand awareness of your SSDI representation services in your city or region, partner with Allsup to grow your client base.

Allsup regularly refers clients across the U.S. to attorney and non-attorney representatives who team with us to serve target markets and specific cities.

As Allsup sees its volume grow, you and your organization can consider representing as many individuals as your team can comfortably handle.

Who Participates

Attorneys and certified hearing representatives, with Electronics Record Express (ERE) access who specialize in Social Security Disability Insurance (SSDI) cases at the hearing level and Appeals Council are urged to contact Allsup.

A primary benefit of teaming up with Allsup is the detailed screening and case review claimants have received as a result of our expertise in the SSDI industry. This means a significantly higher potential for SSDI award at the hearing.

Compensation Program

The Associates program is a contingency-based program. \$1,000 fee paid for each case upon award. Fees are paid to Allsup Associates on a weekly basis.
