Allsup Refers Hearing Level Claims Nationwide

We are seeking both attorney and non-attorney representatives to represent claimants for Social Security Disability Insurance benefits at the hearing level. We have cases available in your area.

Why Partner With Allsup?

With 30+ years experience of specializing in Social Security disability representation, we're able to provide a consistent and ongoing flow of new cases. Nearly 80% of our claimants are referred to us by LTD providers, so it's possible that medical documentation and other supporting evidence will be available to aid in your development of the case.

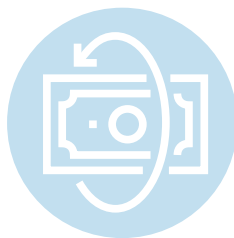

Early Access to Referrals

You're given cases shortly after the appeal is filed so you have enough time to prepare and develop each case.

Quality Support

You have access to our administrative support and claimants have ongoing access to our customer service support.

Get Paid Quickly

The turnaround time for receiving your fee is within 10 business days of Allsup receiving the decision.

Grow Your Case Volume

You can represent as many cases as you and your team can successfully handle.

Insider Information

You receive current information, important notices and updates on industry news from Allsup experts.
